WORK ON 27TH STREET BRIDGE IN SAN BERNARDINO WILL LIMIT PEDESTRIAN ACCESS DECEMBER 13-14

Pedestrian access will be restricted under the 27th Street bridge at Route 210 in San Bernardino on December 13 and 14 from 7 a.m. to 5 p.m.

Crews will be removing construction forms for the bridge, and flag persons will be stationed in this area to help pedestrians cross safely. Although walkers are expected to be able to cross under the bridge throughout the day, some delays are likely, and pedestrians should plan accordingly.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember: Safety: It's no accident!
